FINANCIAL POLICY

Dear Patient/Parent,

Welcome and thank you for choosing Center Street Dental as your dental health care provider. We ask that all patients read and sign our Financial Policy prior to being seated.

1. Payment for services is due in full at the time services are rendered. For your convenience we accept cash, personal checks, Visa, Master Card, Discover, and Care Credit.

2. Dental insurance: if you are covered by dental insurance please be sure that you have provided us with accurate information. We accept most of the major dental insurance carriers and will process your claim as quickly as possible.

As you know, not all insurances are the same so we ask you to read your policy very carefully. We have found that benefit coverage has taken a drastic change over the past few years requiring the patient to assume more of the cost for their care. It is important that patients realize that they will be responsible for any remaining account balance.

3. Secondary insurance claims: we do not process secondary or medical insurance claims. We will provide a fully coded receipt to attach to your claim for your convenience.

4. We do not intercede with separated or divorced parents for payment. The parent who brings the child to the office is expected to pay at the time services are rendered. Financial responsibility for care of a minor child outlined in legal agreements is independent of office policy.

5. An appointment is a reservation of time set aside for your care. If you are not able, to keep your appointment please let us know as soon as possible so that we may be able to accommodate someone else.

In summary, the patient is responsible for any unpaid balance on their account.
